

ANNEX .CZ - SPECIAL CONDITIONS FOR THE .CZ ccTLD

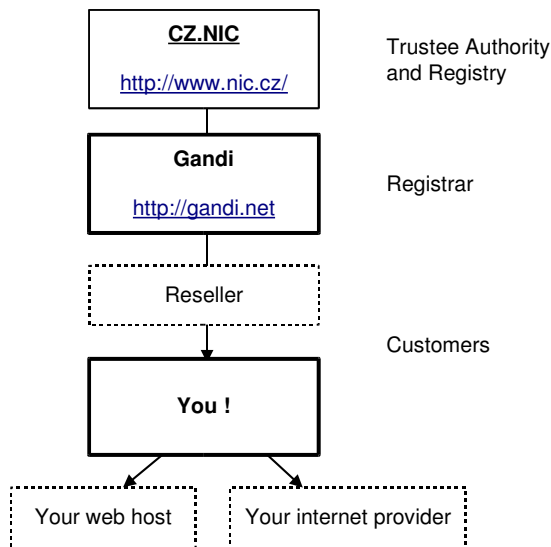

version 1.1 – June the 28th, 2010

In addition to Gandi's [General Terms and Conditions](#) of domain name registration, the registration and use of a .CZ domain name implies the acceptance of and compliance to the present special conditions contained herein.

All Your legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in our [General Terms and Conditions](#) of Domain Name Registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi. Your current contracts are freely available for viewing when You log into Your account at: <http://www.gandi.net/admin/contracts/>.

Section .CZ.1. Trustee authority and Registry

.CZ is the official country code Top-Level-Domain (ccTLD) of Czech Republic. The following diagram presents the various parties involved and the Trustee Authority for the .CZ TLD:

Section .CZ.3. Special requirements

.CZ special requirements are available on:
<http://www.gandi.net/domain/cz/info>

- the renewal must be paid, and funds cleared, no later than one **day before the Expiration date**
- names containing two hyphens in sequence are not allowed.

Section .CZ.4. Storage of contact information

You accept that the .CZ Registry can access Your personal data and display it in the public [Whois](#) database.

Section .CZ.7. Transfer (change of Registrar)

The process is started on Our Interface. Before starting a transfer request, please ensure that:

- You can provide the authorization code associated with the domain. You can obtain this code from the current Registrar via the domain's owner or administrative contact, or if relevant directly at the [Registry's website](#);
- Your domain does not have a TransferProhibited status;
- Your domain name does not expire soon (We recommend that you start the transfer request at least one month before the domain's Expiration).

The transfer's completion requires your confirmation (by e-mail). **The transfer does not change the domain's Expiration date.** Trade (changing the owner during a Registrar transfer) is not available.

Section .CZ.8. Ownership change

The ownership change process is available on Our online Interface. It does not change the domain's Expiration date.

Section .CZ.9. Deletion process

The day before Expiration, Gandi deletes the domain name. Late renewal is not possible, and there is no Redemption period: the domain becomes **immediately available** for registration, under the "first-come first-served" basis.
