If You confirm Your registration request, the third parties that are the owners of an identical mark are notified of Your registration.

It being specified that, in accordance with ICANN rules, if You do not confirm the notice, Gandi will not send Your registration request to the Registry upon the general opening and can not, in any case, be held liable of the non-registration of Your domain name and particularly if the domain name is registered by a third party who have validated the "Trademark Claim Notice" upon the general opening.
