

version 2.1 – January the 31th, 2011

In addition to Gandi's [General Terms and Conditions](#) of domain name registration, the registration and use of a .IT domain name implies the acceptance of and compliance to the present special conditions.

All Your legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in our [General Terms and Conditions](#) of Domain Name Registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi. Your current contracts are freely available for viewing when You log into Your account at: <http://www.gandi.net/admin/contracts/>.

Section .IT.1. Trustee authority and Registry

.IT is the official country code Top-Level-Domain (ccTLD) of Italy. The following diagram presents the various parties involved and the Trustee Authority for the .IT ccTLD:

You can view the information and special rules of each party involved by clicking on the respective links.

Section .IT.2. Registration terms and conditions

When You apply to register a .IT domain name, You acknowledge to have fully understood, and You agree to have full knowledge of and to abide by all the rules and specific conditions of .IT domain names, as defined by IIT-CNR and Registro .it, and which may be viewed at the following pages:

- [Regulations](#) and [Guidelines](#)
<http://www.nic.it/create-and-change.it/regulations-and-guidelines>
- Legal issues: <http://www.nic.it/legal-issues>

According to the .IT Registry's [Guidelines](#) sections 3, 5, 6 and 7 (pages 28 to 31), by subscribing to this contract, **You give Your explicit acceptance, and You commit Yourself to abide by the following declarations**, that are detailed at the end of this Contract (section 10):

- "Declarations and assumptions of liability"
- "Consent to the processing of personal data for registration"
- "Consent to the processing of personal data for diffusion and accessibility via the Internet"
- "Explicit Acceptance of the following points"

These contracts bind You to the IIT-CNR and the .IT Registry. The present special conditions are not substitutes to these Rules, but are a part of it. You acknowledge to have fully understood and accepted these Rules on Our Website.

Section .IT.3. Special requirements

.IT special requirements are available at:
<http://www.gandi.net/domain/it/info>

.IT domain names are restricted to individuals or organizations within the European Union.

To apply to register for a .IT domain name, You also must:

- provide both Gandi and the Registry with Your **personal identification number** (personal fiscal code or the number of Your legal identity document if You are a natural person; company's fiscal code or VAT number if You are an organization),
- specify nameservers (DNS) that are correctly configured for the domain name that You intend to register, such that they pass the zonecheck of the .IT Registry.

Please also note that:

- the registration term is 1 year,
- to avoid any deactivation of the domain name, the renewal must be paid and funds cleared **before the Expiration date**,
- provide and maintain accurate, reliable and up-to-date personal contact information, failing this the .IT Registry can delete Your domain name,
- the Registry can request additional documentary proof of the

Registrant's declarations. Should it fail to receive such required documentation within established guidelines, or should the technical requirements be insufficient and not corrected within 60 days, the Registry can delete the domain name(s) in question,

- some operations (such as transfers from Maintainers, that do not use the EPP technical protocol) still requires paper forms, that must be faxed to the Registry, in Italian language, within the specified deadline. Some particular cases also require special documented proof in paper,
- the Registry does not tolerate "cybersquatting", that is to say the systematic buying up and hoarding of domain names,
- if the Registrant is an individual, the owner contact and the administrative contact must coincide.

Some words are reserved or prohibited (in particular geographical names):

- List of reserved or prohibited words:
<http://www.nic.it/documents/regulation-of-the-assignation-and-management-of-domain-names-in-the-cctldit.pdf> (section 3),
- Registration procedure of reserved domain names:
<http://www.nic.it/create-and-change.it/reserved-geographical-domains>,
- names containing two characters followed by two hyphens are not allowed.

Section .IT.4. Pricing

Our prices can be viewed on:

<https://www.gandi.net/domain/price/detail/it/>

Section .IT.5. Storage of contact information

You accept that .IT Registry can access to Your personal data and display them in a public [Whois](#) database.

Section .IT.5.1. Restricted diffusion in the Registry Whois

Natural persons and organizations can opt-out of disclosing some personal information from the Registry [Whois](#) public database. With this contract, You start with giving by default Your consent for the processing of personal data for diffusion and accessibility via the Internet. However You can activate the Registry opt-out option by marking the "Anti-spam system" checkbox in Your Gandi's Account Interface (link "[Update your personal information](#)").

Section .IT.5.2. Restricted diffusion in Gandi Whois

Natural persons can opt-out of disclosing their personal information (except the Registrant name) from Gandi's [Whois](#) public database, by subscribing to Our [private domain registration](#) (free option).

Section .IT.5.3. Italian law about data processing

As Data Processor, pertaining to article 29 of the Italian

Legislative Decree of 30 June 2003, no. 196, Personal Data Protection Code, We commit Ourselves to:

- collect essential data for the registration of a domain name deriving from compliance with technical rules RFC 1591, ICP-1, ICP-2 and ICP-3 concerning the Registrant, the administrative and technical contacts necessary for guaranteeing the domain name's effectiveness, as well as consent, by the parties concerned, to the processing of data and its recording in the Data Base of Assigned Names (DBAN),
- collect and maintain data necessary for the completion of management operations for the domain name, as highlighted in the Regulations of the ccTLD .it and adjustment of data in the DBAN.

Section .IT.6. Dispute resolution policy

The Registry Registro .it has set forth a specific Regulations for the resolution of disputes in the ccTLD.it:

- [Regulation disputes](#) and [legal guidelines](#):
<http://www.nic.it/legal-issues/regulation-disputes-and-legal-guidelines>
- Challenging the assignment of a domain:
<http://www.nic.it/legal-issues/challenging-the-assignment-of-a-domain>
- Reallocation:
<http://www.nic.it/legal-issues/reallocation>
- Arbitration:
<http://www.nic.it/legal-issues/arbitration>

Section .IT.7. Transfer (change of Registrar)

The process depends on the losing registration office is using the [synchronous](#) or the [asynchronous](#) Registry technical process. Registration offices using the synchronous EPP system, as Gandi, are called **Registrars**. Registration offices using the asynchronous old system are called **Maintainers**.

Section .IT.7.1. Transfer from an EPP compliant Registrar

In the event that the losing registrar is also using the new EPP system, transfer can be performed online by using an authorization code.

The process is started on Our Interface. Before requesting the transfer of the domain, please be sure that You have the domain's authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status;
- does not expire soon (We recommend that you start the transfer request at least one month prior to its Expiration);
- was created at least 60 days prior to the request, or renewed/transferred at least 7 days prior to the request.

The transfer's completion requires Your confirmation (by e-mail).

The transfer to Gandi **does not include any renewal**. The creation date is reset at the Registry, and any remaining period is lost.

Section .IT.7.2. Transfer from a Maintainer to Gandi

If the losing registrar is still using the old registry system, no authorization code is needed, but fax forms are still required.

Within 14 days maximum after ordering Your transfer on Our Interface, You must send a "**Change of Maintainer/Registrar**" form to the .IT Registry, in **Italian language**, by fax or postal mail, according to this process:

<http://www.nic.it/create-and-change.it/by-fax/from-maintainer-to-registrar>

The transfer to Gandi **does not include any renewal**. The creation date is reset at the Registry, and any remaining period is lost.

Section .IT.8. Ownership change

The owner change can be done through a fax-based process (Gandi form and proofs of identity).

The owner change **does not include any renewal**. The creation date is reset at the Registry, and any remaining period is lost.

Section .IT.9. Deletion process

Upon the Expiration of the domain, We suspend (Hold) the domain name for 14 days, during which time all the associated technical services are deactivated. The late renewal at normal prices is possible during this period.

Then the domain name is placed on Quarantine status and can be restored, in accordance with the terms and conditions described on Our website and/or as communicated by Our customer service department. The length of the Quarantine period is 30 calendar days.

If the domain is neither renewed nor restored within these deadlines, the Registry shall place the domain on "Pending Delete" status for several days, and then delete the domain name, which will become available for registration under the "first-come first-served" basis.

Section .IT.10. Specific Registry's Terms and Conditions

According to the Registry's [Guidelines](#) sections 3, 5, 6 and 7, You agree to have full knowledge, to accept, and to abide by the following conditions:

Sect. - 3. Declarations and assumptions of liability
