

ANNEX .JP - SPECIAL CONDITIONS FOR THE .JP ccTLD

version 1.1 – April the 8th, 2011

In addition to Gandi's [General Terms and Conditions](#) of domain name registration, the registration and use of a .JP domain name implies the acceptance of and compliance to the present special conditions.

All Your legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in our [General Terms and Conditions](#) of Domain Name Registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi. Your current contracts are freely available for viewing when You log into Your account at: <http://www.gandi.net/admin/contracts/>.

Section .JP.1. Trustee authority and Registry

.JP is the official country code Top-Level-Domain (ccTLD) of Japan. The following diagram presents the various parties involved and the Trustee Authority for the .JP TLD:

You can view the information and special rules of each party involved by clicking on the respective links.

Section .JP.2. Registration terms and conditions

When You apply to register a .JP domain name, You acknowledge to have fully understood, and You agree to have full knowledge of and to abide by all the rules and specific conditions of .JP domain names, as defined by JPRS, and which may be viewed on:

- Registration Rules:
<http://jprs.co.jp/en/regist.html>

These contracts are binding between You and the .JP Registry.

The special conditions contained herein do not replace these Rules, but rather form part of them. You acknowledge to have fully understood and accepted these Rules on Our Website.

Section .JP.3. Special requirements

.JP special requirements are available at:
<http://www.gandi.net/domain/jp/info>

.JP domain names are open to organizations and individuals in Japan.

To register a .JP domain name, You must agree to the following conditions:

- the registration term is 1 year,
- to avoid any deactivation or deletion of the domain name, the renewal must be paid and funds cleared **no later than 7 days before the Expiration date**,
- the owner and/or the Administrative Contact must provide a **valid address in Japan** (not P.O. box). If You do not have such local address, Gandi automatically provides You with a local Administrative Contact, in compliance with this contract, particularly the section .JP.4 hereafter,
- provide and maintain accurate, reliable and up-to-date personal contact information, failing this the .JP Registry can delete Your domain name,
- some words are reserved or prohibited:
<http://jprs.co.jp/en/GUJP-Eng.pdf> (reserved domain names p 9 to 11),
- names containing two characters followed by two hyphens are not allowed.

Section .JP.4. Gandi's Administrative Contact Trustee service

The use of Administrative Contact Trustee service, provided by Gandi, is optional (automatically allotted to Your domain name if You do not provide an Administrative Contact that is compliant with the Registry's Rules), and is authorized only if Gandi is Your current Registrar, provided that You comply with Our General and Special terms and Conditions.

Therefore, in case of transfer of Your domain name to another Registrar, You will have the obligation to designate, in a timely manner, another Administrative Contact.

In case of litigation regarding a domain name, and in the event of

the receipt of a summons and complaint regarding Your domain name, the Administrative Contact is only expected to respond and acknowledge dispute proceedings, and to refer the case to You, to the e-mail address that You have filed and declared for the owner (Registrant) Contact of Your domain name, or under any different format associated to the Registrant's contact data. You also acknowledge that We will not be held liable for any delay in the transmission of information in application of this agreement.

You are, as the domain name owner, solely liable for the choice and the use of Your domain name. Gandi, as well as the local Administrative Contact provided by Gandi, incur no liability in that respect.

You agree to indemnify Us and to hold Us harmless for any consequences and conviction resulting from a dispute relating to Your domain name, so that We can not be involved or held liable for the choice and/or the use made of Your domain name. Such obligation shall survive to this agreement.

At any time, Gandi may terminate its Administrative Contact Trustee service. We will then notify the termination of Our mission, at the e-mail address associated to Your domain name. You will then be under the obligation to designate, in a timely manner, another local Administrative Contact. Failure to do so, Your domain name would not comply anymore with the Registry Rules, and that would lead to the deletion of the domain name, based on this sole reason, without the right to claim any refund and without Gandi's liability being incurred.

6 days before the Expiration date, the domain name is released by Gandi to the Registry. All associated technical services are deactivated.

At this time, the domain name is placed in Quarantine status and can be restored, in accordance with the terms and conditions described on Our website and/or as communicated by Our customer service department. The length of the Quarantine period is 20 calendar days.

If the domain is neither renewed nor restored within these deadlines, the Registry will delete the domain name, which will become available for registration on a "first come first served" basis.
