Capitalized terms have the definition attributed to them in Our [General Terms and Conditions](#) of Domain Name Registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi. Section .TV.7. Transfer (change of Registrar)

The process is started on Our Interface. Before requesting the transfer of the domain, please be sure that You have the domain's authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status;
- does not expire soon (We recommend to start the transfer request at least one month before Expiration);
- was created at least 60 days prior to the request.

The transfer's completion requires your confirmation (by e-mail).

Upon successfully transferring a domain, the registration period is extended by one year.

According to the rules of VeriSign, transfers of Premium domain name are prohibited.

Section .TV.8. Ownership change

The process is started on Our Interface. The owner change's completion requires the confirmation of the two parties by e-mail.

The owner change of a .TV domain name does not change the domain's Expiration date.

Section .TV.9. Deletion process

Upon the Expiration of the domain, We suspend (Hold) the domain name for 30 days, during which time all associated technical services are deactivated. Late renewal at normal price is possible during this period.

Then, the domain name is placed on Quarantine status and can be restored, in accordance with the terms and conditions described on Our website and/or as communicated by Our customer service department. The length of the Quarantine period is 30 calendar days.

If the domain is neither renewed nor restored within these deadlines, the Registry shall place the domain on "Pending Delete" status for several days, and then delete the domain name, which will become available for registration under the "first-come first-served" basis.
