

ANNEX .LOAN - SPECIAL CONDITIONS FOR THE .LOAN TLD

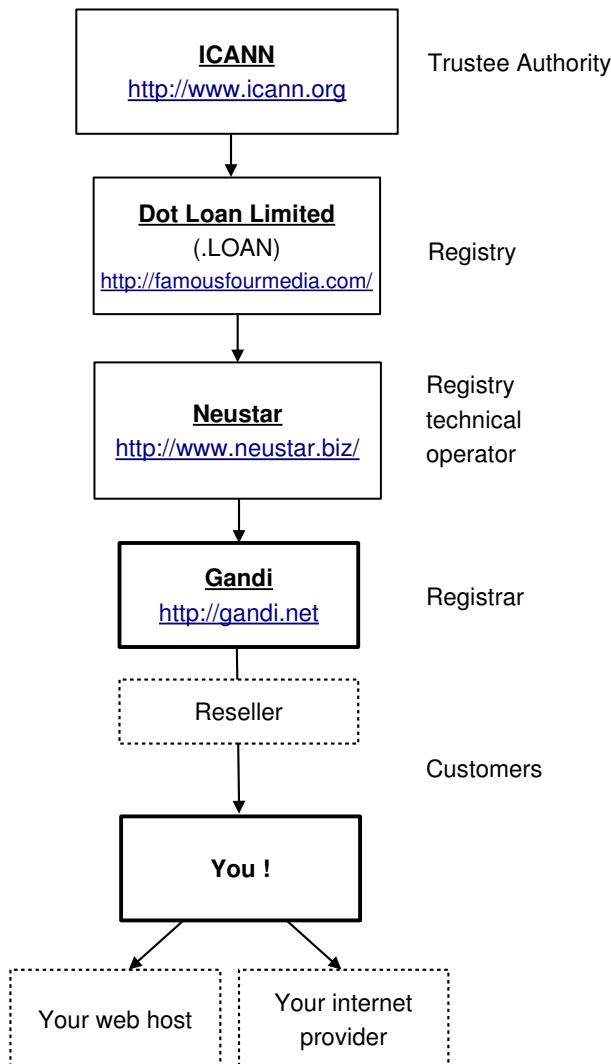

version 1.0 – June the 2nd, 2015

In addition to Gandi's [General Terms and Conditions](#) for domain name registration, the registration and use of a .LOAN domain name implies the acceptance of and compliance to the present special conditions contained herein.

All Your legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in Our [General Terms and Conditions](#) of Domain Name Registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi. Your current contracts are freely available for viewing when You log into Your account at: <http://www.gandi.net/admin/contracts/>.

Section .LOAN.1. Trustee authority and Registry

.LOAN is a generic Top-Level-Domain (gTLD) dedicated to loans. The following diagram presents the various parties involved for the .LOAN TLD:

Section .LOAN.2. Registration terms and conditions

When You apply to register a .LOAN domain name, You acknowledge that You have fully understood, and that You certify to have full knowledge of and that You agree to abide by all the rules and specific conditions of .LOAN domain names, as defined by ICANN, Dot Loan Limited and Famous Four Media and which may be viewed at the following pages:

- Famous Four Media policies (including Acceptable Use & Takedown Policy, Privacy Policy etc): <http://www.famousfourmedia.com/policies/>
- ICANN consensus policies: <http://www.icann.org/en/general/consensus-policies.htm>

These contracts bind You to the .LOAN Registry. The special conditions contained herein do not replace these rules, but rather form part of them. You acknowledge to have fully understood and to have accepted these rules on Our Website.

The contract between ICANN and the .LOAN Registry is available at the following address: <http://www.icann.org/en/about/agreements/registries/loan>

Section .LOAN.3. Launch rules

The .LOAN domain name launch will occur in two phases: Sunrise and general opening.

The Sunrise phase will run from June 4th to August 3rd, 2015. General opening is scheduled for August 5th, 2015. These dates are not definitive and are subject to change by the Registry.

Preregistrations during the general opening are available at Gandi: domain names can be ordered at that time, but will not yet be registered or reserved.

Section .LOAN.4. Special requirements

.LOAN special requirements are available at: <http://www.gandi.net/domain/loan/info>

.LOAN domain names are open to anyone.

Section .LOAN.5. Sunrise

5.1 Eligibility rules

Only owners of a trademark registered with the trademark rights protection mechanism “[TMCH](#)” (Trademark Clearinghouse) established by ICANN are eligible to make a request during the Sunrise period.

As a TMCH trademark agent, Gandi can proceed with the registration of Your trademarks with TMCH (service reserved to Our Corporate customers, please contact Our [Corporate team](#)).

Eligibility conditions concerning the registration of a trademark with TMCH and the applicable rules are available at the following address: <http://www.trademark-clearinghouse.com/downloads>

Once Your trademark has been validated, TMCH generates one or several "labels" strictly identical to Your trademark.

Upon the submission of Your trademark with TMCH, You can choose the Sunrise service, provided that Your trademark has been validated by TMCH. The Sunrise service includes:

- generating a “SMD” (Signed Mark Data) file that proves the validation of Your trademark and allows You to make a registration request during the Sunrise period for one or several domain names strictly identical to the “label(s)” generated, provided that You comply with the eligibility conditions and rules enacted by the Registry,
- sending notifications (NORNs) that inform You of the registration of a domain name identical to Your trademark by a third party during the Sunrise period.

During Your registration request on Our interface, You must upload Your “SMD” file for verification.

5.2 Allocation rules

Sunrise applications are not reviewed on a “first-come first-served” basis, they will be considered as having arrived at the same time:

- if only one qualified application is made for a domain name, the domain name will be registered on behalf of applicant within the days following the end of the Sunrise period,
- if multiple qualified applications are made for the same domain name, the domain name will be subject to closed auction between all applicants for this domain name. The rules applicable to the auction procedure will be available at the following webpage: <http://www.famousfourmedia.com/policies/>.

When a domain name is allocated to You in Sunrise period, third parties who own an identical mark registered within TMCH are notified of Your registration.

5.3 Dispute resolution

Any dispute relative to the validation of Your trademark with TMCH must be submitted in accordance with the dispute resolution procedure established by TMCH:

<http://www.trademark-clearinghouse.com/dispute>

Any dispute arising from the allocation of a domain name during the Sunrise period must be submitted in accordance with the dispute resolution procedure established by the Registry that You agree fully abide by:

<http://www.famousfourmedia.com/policies/> (SUNRISE DISPUTE)

5.4. Refund Conditions

In any case, You will not be entitled to receive any refund if Your application is rejected (eligibility criteria not met, “SMD” file invalid or revoked ...) or if the domain name is not granted to You (domain name granted to an other person during an auction, if a third party has successfully challenged the domain name registration ...).

Section .LOAN.6. “Trademark Claim Notice” period

In accordance with ICANN rules, upon general opening and for an indefinite period of time, a “Trademark Claim Notice” period will run.

During this period if the domain name for which You requested registration is identical to a trademark that is registered and validated with TMCH (according to the “labels” generated), You will receive a warning notice (“Trademark Claim Notice”) in real time on Our interface informing You that a third party has rights to the domain name You requested.

You must confirm or cancel Your registration request, with full knowledge of the notice and its consequences. It being specified that if You do not confirm the notice, Your request will not be sent to the Registry.

If You confirm Your registration request, third parties who own an identical mark are notified of Your registration.

For requests made in preregistration, beginning one day prior to the general opening, Gandi will notify You by email of the “Trademark Claim Notice” and Your registration request will be put in “error” until You confirm or cancel Your registration via Our interface. It being specified that, in accordance with ICANN rules, if You do not confirm the notice, Gandi will not send Your registration request to the Registry upon the general opening and cannot, in any case, be held liable for the non-registration of Your domain name and particularly if the domain name is registered by a third party who has validated the “Trademark Claim Notice” upon the general opening.

It is Your sole and entire responsibility to confirm, if You want, all the notices received before the general opening and the sending of Your request to the Registry.

Section .LOAN.7. Reserved names and premium domain names

Some words are reserved or prohibited:

- Famous Four Media policies (RESERVED NAMES):
<http://www.famousfourmedia.com/policies/>
- Agreement between ICANN and the Registry (specification 5. schedule of reserved names):
<http://www.icann.org/en/about/agreements/registries/loan>
- names containing two characters followed by two hyphens and names beginning or ending by a hyphen are not allowed.

The registration of "premium" domain names is not available on Our interface, You would need to contact Our customer service department for this.

For requests made in preregistration, if the domain name You have preregistered is a "premium" domain name, Your request will be put in "error" and You will be notified by email. Then You will be able to either pay the additional costs applicable to "premium" domain names in order to validate Your registration request or cancel Your request. It being specified that if You do not contact Our customer service department and do not pay the additional costs applicable to "premium" domain names, Your registration request will be not sent to the Registry.

Section .LOAN.8. Registration term

The registration term is 1 year for requests made during the Sunrise period and from 1 to 10 years for requests made during the general opening. To avoid any deactivation of the domain name, the renewal must be paid and funds cleared **before the Expiration date**.

Section .LOAN.9. Pricing

Our prices may be viewed at:

<https://www.gandi.net/domain/price/detail/loan>

"Premium" domain names are subject to specific prices that will be communicated by Our customer service department upon request.

Section .LOAN.10. Storage of contact information

In application of ICANN contracts, all personal and technical information associated with the registration of Your domain name is recorded and made available to ICANN and IRON MOUNTAIN (ICANN's designated Registrar Data Escrow agent), in addition to messages pertaining to each registration or modification, during the entire duration of the registration of the domain name, plus the two following years.

You accept that the Registry and its services providers can access Your personal contact information and process it:

- to display it in the public [Whois](#) database,
- for statistical purposes,
- to operate the registry daily and provide registry services,
- if required by law enforcement agencies, court orders or other law applicable to Registry operator,
- if required by ICANN in accordance with zone file access requests.

Section .LOAN.11. Dispute resolution policy

Section .LOAN.12. Transfer (change of Registrar)

The transfer-in process may be initiated on Our Interface. Before requesting the transfer of the domain, please make sure You have the domain's authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status,
- does not expire soon (We recommend that You start the transfer request at least 1 month prior to its Expiration),
- was created at least 60 days prior to the request,
- has not been transferred within the last 60 days.

The transfer's completion requires Your confirmation (by e-mail).

Upon successfully transferring a domain, the registration period is extended by one year.

Section .LOAN.13. Ownership change

The ownership change process is available on Our Interface and requires the confirmation of both parties by e-mail.

The owner change of a domain name does not change the domain's expiration date.

Section .LOAN.14. Deletion process

Upon the Expiration of the domain, We suspend (Hold) the

domain name for 45 days, during which time all associated technical services are deactivated. Late renewal at normal price is possible during this period.

Then the domain goes into Redemption Period for an additional 30 days, and all associated technical services are deactivated. It can only be restored during this period in accordance with the terms and conditions described on Our website and/or as communicated by Our customer service department.

If the domain is neither renewed nor restored within these deadlines, the Registry shall place the domain on "Pending Delete" status for several days, and then delete the domain name, which will become available for registration on a "first-come first-served" basis.

Section .LOAN.15. Registrant representations and guarantees

You agree to provide and maintain accurate, reliable and up-to-date personal contact information. Failing to do so, the Registry may delete Your domain name.

By submitting a registration or modification request You agree to be bound and to comply:

- with ICANN standards, policies, procedures, and practices for which Registry Operator has monitoring responsibility in accordance with the Registry Agreement or other arrangement with ICANN;
- with operational standards, policies, procedures, and practices

for the .LOAN as set forth in the Registry Agreement and as established from time to time by Dot Loan Limited in a non-arbitrary manner and consistent with ICANN standards, policies, procedures, and practices and Registry Operator's Registry Agreement with ICANN, including, in particular, any acceptable use policy, which delineates all the types of activity that define abuse and reserves the right of the Registry Operator to take appropriate action based on the type of abuse.

In any case, You acknowledge and agree that distributing malware, abusively operating botnets, phishing, piracy, trademark or copyright infringement, fraudulent or deceptive practices, counterfeiting or otherwise engaging in activity contrary to applicable law are expressly prohibited. Failing to comply with this provision, You expose Yourself to the suspension of Your domain name. The Registry reserves the right to deny, cancel, suspend, lock or transfer any .LOAN domain name registration violating these provisions.

You commit Yourself to indemnify, defend and hold harmless the Registry, its subcontractors including Registry technical operator and their respective directors, officers, employees, affiliates and agents from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses arising out of or relating in any way to Your domain name's registration except due to the Registry's negligence, error or omission. This indemnification obligation shall survive the termination of the present contract, whatever may be the cause and is the direct consequence of Our accreditation agreement.
